# HIRE OPTIONS

Choosing the right hire option for your vehicle couldn't be easier. We offer flexible terms from 1 day to 36 months to keep you on the road throughout the year

## Flexible Short & Long Term Hire

For immediate or periodic needs

### Flexibility with no Commitment

Long or Short-term hire is ideal if you require vehicles for immediate or periodic needs. You can hire for 1 day or longer periods depending on your requirements. You may have a vehicle off the road, need a specialist vehicle for a specific task or have demand for additional vehicles due to seasonal volumes or a contract you have undertaken. Whatever the reason we can provide the solution, personal or business.

Our flexible hire offers an alternative solution to owning or leasing vehicles without the commitment, maintenance and disposal hassles while allowing you to budget your monthly costs. Prices are fixed at the beginning of the hire depending on the duration, mileage and type of vehicle. An experienced account manager will support you throughout the duration of the hire and ensure you always have the right vehicle to keep your business running smoothly.

### Flexible Long or Short-term Rental

- ✓ For immediate or predictable needs without commitment
- ✓ Competitive daily, weekly or monthly rates
- ✓ Hire rate fixed for the duration making it easier to budget your monthly costs
- ✓ No long-term contracts or upfront payments
- ✓ Generous mileage allowance
- ✓ No minimum hire periods
- ✓ Vehicle can be branded in your corporate livery
- ✓ The longer you keep it, the more competitive it becomes
- ✓ Full maintenance, tyres, road tax & inspection included (T&C's apply)

## Vehicle Sales

Prefer to buy rather than hire? We stock a range of used commercial vehicles for sale and ready to drive away. A steady supply of used vans, pick-ups and specialist vehicles is available for sale direct from our hire fleet. You can purchase with confidence that all vehicles are serviced and checked prior to going on sale.

# CONTRACT HIRE

## Equip-Fleet offers an in-house Solution to your Equipment needs with fixed term Contract Hire or Lease options to suit your Business

Contract hire is a cost-effective way to source vehicles for your business without the risks, hassle and hidden costs normally associated with buying and maintaining equipment or vehicles. Our relationship with leading manufacturers and our industry experience allows us to offer you the most competitive pricing on a large range of new vehicles and equipment.

Contracts can be fixed to suit your needs and typically includes maintenance and mandatory inspections. Numerous options can be included depending on the type of vehicle or your business circumstances including replacement vehicles, tyre wear or out of hours break down cover. Prices are fixed at the beginning of the rental depending on the duration, anticipated usage and application. An experienced account manager will liaise with you throughout the duration of the hire and ensure you are supported to keep your business running smoothly. At the end of the contract, you simply hand the equipment back with no residual value risk.
